AAC HODGE VB

CWRS

The Champion of Protection

AAC Hodge VB is a new midge tolerant CWRS that will set new yield expectations for the Western Canadian grower. With strong standability and an exceptional disease package including an 'MR' for FHB and 'R' for all other priority one diseases this variety is the champion of protection and will see you at the finish line.

Highlights

- Highest yielding CWRS registered
- Top-in-class standability
- Excellent disease package
- 'MR' for FHB, 'R' to all other priority one diseases

Agriculture and Agri-Food Canada

HODGE, Frederick E.

Read Frederick Hodge's full bio at sasklegion.ca
 Frederick Edward Hodge was born May 17, 1919 in Winnipeg Manitoba. Hodge joined the Royal Winnipeg Rifles in 1938 and went overseas in 1941. A Major with the 7th Infantry Brigade, Hodge was part of the initial assault on Juno Beach, D-Day June 6, 1944. Hodge was taken as a prisoner of war and later executed.

WWII

FP Genetics is proud to partner with The Royal Canadian Legion, Saskatchewan Command and the work they do serving Veterans and their families. For that reason, many of our certified seed varieties bear the names of Veterans in honour of their service to our country.
