

New!

# AAC JULIUS

## Yellow Pea

### Pulse of the Prairies

AAC Julius is a new high yielding yellow pea with a significantly smaller seed size that growers are looking for. AAC Julius has increased protein content and sets a new benchmark for seed coat integrity. This semi leafless yellow pea may be small but brings

### Highlights

- Significantly smaller seed size
- High Protein content
- Excellent for seed coat breakage
- Increased yield vs checks
- Semi-leafless
- Resistance to Powdery Mildew

Agriculture and Agri-Food Canada

#### BROWN, Julius

Julius Brown was born in South Carolina, and served in the U.S. Air Force. Julius is the director for OSI-CAN which is a program that started in Saskatchewan and provides mental health support services to Canadian Veterans and First Responders dealing with Operational Stress Injuries.

FP Genetics is proud to partner with The Royal Canadian Legion, Saskatchewan Command and the work they do serving Veterans and their families. For that reason, many of our certified seed varieties bear the names of Veterans in honour of their service to our country.
